MEDICAL, HEALTH AND FAMILY WELFARE (C1) DEPARTMENT

G.O. Ms. No. 284

Dated: 18.10.2010

ORDER:

1. The demand for dental services has been growing in tandem with the economic development of the state. However, despite significant expansion in the number of dental colleges in the state during the past few years, the posts of Dental Assistant Surgeons have not increased in consonance with the demand. In this context, the Government have decided to constitute a Committee to review the deployment of the sanctioned DAS posts and recommend measures for their redeployment in all district and area hospitals initially from the PHCs and CHCs. The committee will also make appropriate recommendations for sanction of at least one post of DAS in each of the three hundred and sixty (360) CHNC hospitals by the end of 2012 financial year.

2. The Committee will be chaired by the Commissioner of Health and Family Welfare and will include the Director of Public Health, the Commissioner of APVVP and the Director of Medical Education. The Committee is requested to review the entire matter in its totality and submit detailed proposal to the Government within a month.
